Specifications:

Canopy: Machined from 6061-T6 aluminum, C36000 brass, or 304 stainless steel. Contains a Ø13/16" mounting hole and a Ø5/8" wiring hole. Up to three canopies can be mounted on a single strap (the number of canopies that can be safely supported varies by fixture type and material. Contact a Vision3 lighting CSR for allowable combinations). Two side slots allow canopy to slide on strap for easy adjustment during installation.

Strap: 48", 72" & 120" long strap assembly consists of a 1" wide, olive green nylon strap stitched to a steel flat hook. Steel hook is coated with Bronze Textured TGIC thermo set polyester powder coat paint, applied over a corrosion resistant chromate finish. 48" strap assembly fits up to 14" diameter trees. 72" strap assembly fits up to 21" diameter trees. 120" strap assembly fits up to 36" diameter trees. (Contact factory for larger applications.) Note: Strap should be loosened periodically to fit tree as it grows. Allow for future tree growth when considering strap requirements.

Buckle: 304 stainless steel ratcheting buckle is corrosion resistant and is coated with Bronze Textured TGIC thermo set polyester powder coat paint. Ratchet allows easy adjustment of strap. Strap hook clips to buckle, allowing easy installation and removal.

Finish: TGIC thermo set polyester powder coat paint available in 14 standard colors. On aluminum model, finish is applied over a corrosion resistant, hexavalent chromium free, RoHS compliant coating. Aluminum model available in one additional metal finish: Clear Anodized. Brass model available in three additional metal finishes: Natural, Polished, and Aged. Stainless steel model available in three additional metal finishes: Natural, Polished, and Brushed.

Electrical: For use with low voltage lighting fixtures only. Requires the use of a remote transformer.

Certification: CSA tested & certified to US and Canadian safety standards for wet location landscape use.

Ordering Information:

- **Model**: MO8A - Aluminum
  - BL - Black
  - BLT - Textured Black
  - BN - Bronze
  - BNT - Textured Bronze
  - BAT - Textured Bark
  - WI - White
  - GRT - Textured Green
  - SI - Silver
  - GY - Grey
  - BE - Beige
  - GNT - Textured Granite
  - SAT - Textured Sand
  - PAT - Textured Patina
  - EAT - Textured Earth
  - CLA - Clear Anodized (MO8A only)
  - NAT - Natural (MO8B & MO8S only)
  - POL - Polished (MO8B & MO8S only)
  - AGE - Aged (MO8B only)
  - BRU - Brushed (MO8S only)

- **Finish**
  - Canopy Qty. 1
  - 1 - One Canopy
  - 2 - Two Canopies
  - 3 - Three Canopies

- **Strap Length**
  - 48 - 48" Tree Strap
  - 72 - 72" Tree Strap
  - 120 - 120" Tree Strap

Notes:

1. The number of canopies that can be safely supported varies by fixture type and material. Contact a Vision3 lighting CSR for allowable combinations.
2. '3 - Three Canopies' option not available with MO8B or MO8S.
3. Specifications, certifications, and ordering information are subject to change. Please check website for latest specification sheets.
