

VISION-3 LIGHTING

Tree Mount Box Option **MODEL MO9** 1" Strap, Cast Box, Tree Mount

Specifications:

Junction Box: Industry standard cast aluminum single gang junction box.

Up to three boxes can be mounted on a single strap (the number of boxes that can be safely supported varies by fixture type and material. Contact a Vision3 lighting CSR for allowable combinations). 304 stainless steel bracket attaches box to strap and allows for easy sliding adjustment during installation.

Cover: Available with no cover, single mount hole cast aluminum box cover (MO6S-1), or double mount hole cast aluminum box cover (MO6S-2). See MO6 specification sheet for more information (box cover options come with foam gasket).

Strap: 48", 72", & 120" long strap assembly consists of a 1" wide, olive green nylon strap stitched to a steel flat hook. Steel hook is coated with Bronze Textured TGIC thermo set polyester powder coat paint, applied over a corrosion resistant chromate finish. 48" strap assembly fits up to 14" diameter trees. 72" strap assembly fits up to 21" diameter trees. 120" strap assembly fits up to 36"

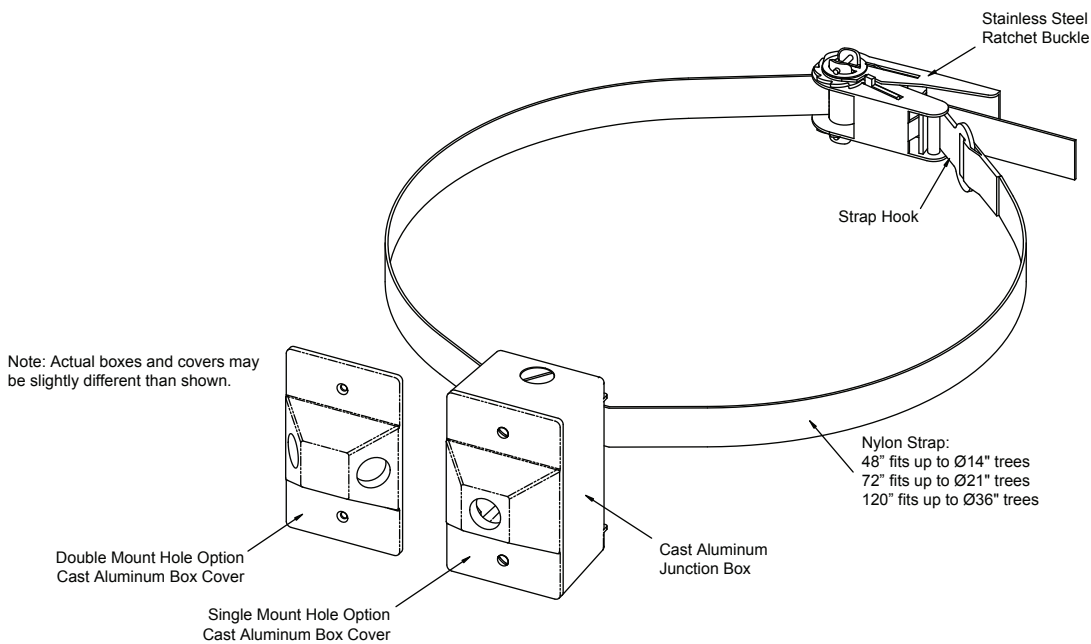

diameter tree. (Contact factory for larger applications.) Note: Strap should be loosened periodically to fit tree as it grows. Allow for future tree growth when considering strap requirements.

Buckle: 304 stainless steel ratcheting buckle is corrosion resistant and is coated with Bronze Textured TGIC thermo set polyester powder coat paint. Ratchet allows for easy adjustment of strap. Strap hook clips to buckle, allowing easy installation and removal.

Finish: Box and optional covers are coated with TGIC thermo set polyester powder coat paint; available in 14 standard colors.

Electrical: Box comes with one open 1/2" NPS conduit entry hole on bottom (Conduit or liquid tight cable entry connectors not supplied.)

Certification: CSA tested & certified to US and Canadian safety standards for wet location landscape use.

Ordering Information:

MO9A				
Model	Finish	Box Qty. ¹	Cover Option ^{2,3}	Strap Length
MO9A - Aluminum	BL - Black	1 - One Box	0 - No Cover	48 - 48" Tree Strap

	SAT - Textured Sand			
	PAT - Textured Patina			
	EAT - Textured Earth			

- Notes:**
- The number of canopies that can be safely supported varies by fixture type and material. Contact a Vision3 lighting CSR for allowable combinations.
 - When a cover is specified, all boxes will have the same cover. If a different cover is desired on each box, than specify the '0 - No Cover' option and order the covers separately.
 - To use with MO4 machined rectangular canopy, specify '0 - No Cover' option and order MO4 canopy separately.
 - See MO6 specification sheet for cover details.
 - Specifications, certifications, and ordering information are subject to change. Please check website for latest specification sheets.
